

*Tania Davies*  
THE SUCCESS SLOW COACH™  
speaker | trainer | therapist

## Audio/Visual Requirements for Tania Davies

The following items must be in place and tested BEFORE Tania Davies speaks to ensure maximum efficiencies and impact.

### MICROPHONE (GROUPS OVER 100 PEOPLE ONLY)

Tania's preferred microphone use is 1. lapel mic, 2. a head microphone or, 3. a handheld microphone. If this requirement cannot be met please let us know in advance.

### SEATING ARRANGEMENT

Please seat the audience directly in front of Tania in theatre or cabaret style with preferably no one sitting to the sides.

### WATER

Please provide Tania with a glass or bottle of water on stage.

### STAGE

If using an auditorium, Tania prefers a well lit, open and empty stage. Tania does not require a podium and prefers it to be moved.

### DATA SCREEN WITH SOUND

Tania prefers to plug her own computer into the system from stage. She can also bring a USBC to VGA & HDMI adapter for ease of connection. Tania also requires sound and her computer will have a standard sound jack available.

### SESSION / WORKSHOP

If Tania is presenting a session/workshop (longer than 1 hour), please provide either a flip chart or white-board, and 3 coloured markers.
