## Our Story

We are a collective group of tattooers and tattoo professionals with nearly a century of combined experience in the industry. We have shared the common problems of navigating a tattoo art career and the complexities of running a business where at times overwhelms our creativity schedules and our overall potential to serve our clients the best we can.

We have started this TCB platform as a hub space to share all relevant business structure advise, resources, educational courses and business support services that assist all artists in all stages of their careers and businesses.
