## YOUR MISSION

Dear Hero,

This document has 3 GPS Assessments. Please do not go to the pages which display the results before you plot your position, as it reveals the outcome of the GPS assessment. Only go to the results page once you understand the instructions and have plotted your position.

Okay, Hero, let's look at the instructions HOW TO PLOT your GPS.

## EXAMPLE HOW TO PLOT

This Y axis is where you will score yourself according to how to the instruction provided. In GPS 1 it is about how significant you feel about yourself.

In other words, do you feel important and noteworthy with regards to your life purpose or life mission? You will score yourself according to this feeling.

Do the same for GPS 2 & GPS 3 according to its axle instructions

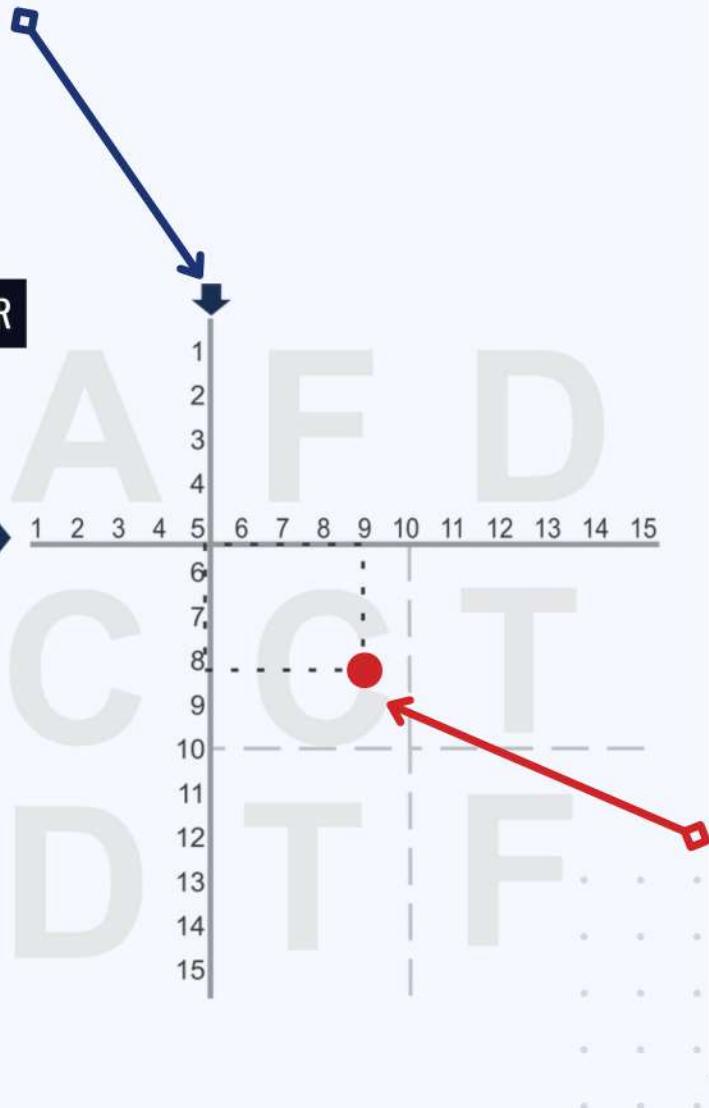

1 = Lowest  
15 = Highest

## KNOWLEDGE ABOUT YOUR GIFTS - AXIS

This axis is where you will score yourself about your knowledge and understanding and your confidence in your unique gifts and talents.

1 = Lowest Knowledge & Understanding

15 = Highest Knowledge & Understanding
