

# *What is “good” supervision and support for a new graduate OT?...*

At least 1 hour of  
**formal clinical  
supervision** each  
week

**Ad hoc  
support** on a  
daily basis

Access to regular  
in-house and  
external  
**professional  
development  
opportunities**

Opportunities  
for **joint  
treatment  
sessions** with  
experienced  
OTs

Being able to  
**say “no” to a  
referral** that is  
beyond your  
scope or ability

**Reduced  
billable KPIs**  
that are  
increased  
gradually
