

CLINICAL EDUCATOR STARTER KIT

The time-saving resource you've been waiting for!

What's in the kit?

- Templates to tell students all they need to know about your workplace so they are comfortable before they start.
- Checklists for preparing for the placement, and student orientation.
- Guidelines that answer questions about choosing a placement model, and billing for student led services.
- Scaffolded self-directed learning activities to allow students to learn even when they aren't with you.
- Access to an online discussion board and drop-in Zoom sessions to ask Clare any questions you have about hosting students.

Don't waste hours doing it yourself and wondering what you've missed. Get a massive head start with a kit crafted by an experienced clinical educator and start offering high quality efficient student placements today!

Helping occupational therapists to
LEARN in a way that suits them,
GROW their skills and knowledge, and
EXCEL in their chosen careers

WHY BUY THE CLINICAL EDUCATOR STARTER KIT?

Here's the top 5 reasons you need this kit!

1

HOSTING STUDENT PLACEMENTS IS IMPORTANT!

- Your staff will have an opportunity to develop supervision and teaching skills
- You'll be giving back to the profession and shaping a new therapist's future career
- It's a great strategy to showcase your team and boost your recruitment prospects

2

HOSTING STUDENT PLACEMENTS IS TIME CONSUMING!

- There's lots of admin and paperwork needed to help placements run smoothly
- Students need self-directed learning time away from their supervisors
- Ad hoc approaches to hosting placements makes processes even slower

3

THE 'DO-IT-YOURSELF' OPTION IS THE HARD ONE!

- You'll never have 'spare time' to put together a student resource kit
- Paying your staff their hourly rate to put together a kit from scratch will cost \$\$\$\$
- Your staff may not have the expertise to develop high-quality resources

4

THIS KIT IS A HUGE HEAD START - IT'S THE SMART OPTION!

- Templates, checklists, guidelines and learning resources are covered
- Add your own branding - they'll look like your own, but in a fraction of the time
- This kit has resources you never even knew you needed!

5

IT'S NOT JUST THE KIT, IT'S WHAT COMES WITH IT...

- Ask your questions via the online discussion board and free Zoom sessions
- Purchase one kit and share the resources with the rest of your team for free!
- Add a one-on-one session with Clare - take your student program to the next level!

THIS KIT COULD BE JUST WHAT YOU'RE LOOKING FOR IF YOU WANT...
