HOME MAINTENANCE CHECKLIST

○ WATER PLANTS AND FOLIAGE

Ensure your garden receives ample water. Neglecting landscaping can lead to unnecessary expenses.

○ CHECK FOR HOUSEHOLD LEAKS

Inspect toilets and dishwasher for leaks. Contact a plumber if issues are found.

○ CHECK YOUR SPRINKLER SYSTEM

Look for blocked lines, leaking valves, or standing water. Check and adjust timers; enlist professional help for repairs.

○ PRUNE TREES AND SHRUBS

Prune trees and shrubs to remove dead or diseased branches and maintain their health.

○ OIL THE GARAGE-DOOR OPENER

Apply oil to the garage door opener's mechanism, including the chain and hinges.

○ SEAL TILE GROUT IN BATHROOMS & KITCHENS

Protect walls and floors by sealing tile grout to prevent water damage.
