

Champion's Creed SMS Privacy Policy

Privacy Policy

This Privacy Policy explains how we collect, use, and protect your information on this website. It applies only to information you provide directly through this site and is designed to let you know:

- What personally identifiable information we collect and how it's used.
 - Who, if anyone, your information may be shared with.
 - Your options for managing your data.
 - How we keep your information safe.
 - How you can update or correct your information.
-

Information We Collect and How We Use It

We only collect information you voluntarily provide, such as when you email us or contact us directly. We do **not** sell or rent your information to anyone.

We use your information to respond to your inquiries or requests. We may share information with third parties only as needed to fulfill your request—for example, sending documentation.

If you don't opt out, we may contact you in the future with updates about products, services, promotions, or changes to this privacy policy.

Your Control Over Your Information

You can opt out of future communications at any time. By contacting us using the email or phone number on our site, you can:

- See what information we have about you.
- Update or correct any inaccuracies.

- Request that your information be deleted.
 - Raise any concerns about how your information is used.
-

IP Addresses

We may collect details about your computer, such as IP address, browser type, and operating system. This helps us manage the site, understand user behavior, and report aggregated statistics. This data does not personally identify you.

Cookies

We use cookies to improve your experience on our site. Cookies help us:

- Recognize returning visitors.
- Keep you logged in so you don't have to enter passwords repeatedly.
- Understand user preferences to enhance your experience.

Cookies are not linked to personally identifiable information.

Security

We take your information security seriously. Sensitive data you provide is protected both online and offline.

Credit card information is encrypted and transmitted securely. Look for a lock icon in your browser or "https" at the start of the website address to verify this.

Offline, only employees who need the information to perform their jobs (like billing or customer service) can access it. All computers and servers storing personal information are kept in a secure environment.
