Treat your sweetheart to a post-Valentines' Day wine tasting! Join your fellow AWS members and guests for an exploration of premium boxed wines. Your palate will enjoy three (3) white and three (3) red wines from the same vintner.

Whites

Sauvignon Blanc
Chardonnay
Pinot Grigio

Reds

Merlot
Cabernet Sauvignon
Pinot Noir

This will be a masked tasting with the boxes wrapped in brown paper when the wines are poured. The challenge will be to identify each of the wines while judging them using our standard evaluation sheets. We are curious to see if these wines meet our high standards we have become accustomed to.

We look forward to having a good time with all of you!
