I understand that blockchain technologies are cutting edge and that there are numerous risks involved, including but not limited to market, technology, legislative and regulatory risks.

I understand that there may be fees, including but not limited to maintenance, transaction, software license, or network fees, to connect my software to the blockchain, and I am solely responsible for the payment of such fees.

I have had the opportunity to solicit all information material to my decision to purchase this node. Additional information may be requested at [support@switchrewardcard.com](mailto:support@switchrewardcard.com)

I certify that no person acting or appearing to act on behalf of the seller of my blockchain node software has told me that I will earn digital rewards that will have liquidity, value, or otherwise create a profit opportunity for me. If I was told anything different from the acknowledgements contain herein, I understand these acknowledgements control over any other representations.

I understand my blockchain node software purchase is non-refundable and non-transferrable.

I have read, understand, and agree to the Terms of Service.

I have read, understand, and agree to the Privacy Policy.

I understand that the delivery of the software and/or hardware may not be immediate but could take up to 30 to 60 days.

I further agree that no certification or verification is necessary to validate my electronic signature and the lack of such certification or third-party verification will not in any way affect the enforceability of my electronic signature or any resulting contract.
