

# THE RUETH TEAM MEDIA ROOM

## ***Bring Your Content to Life!***

We know not everyone has the space (or the setup) to produce high-quality videos or podcasts. That's why we're opening up our Media Room for rental, giving you professional tools and a versatile space to create the kind of content that helps you stand out on social media.

## ***Our room can be arranged to fit your vision:***

- Record a video of yourself with a clean, professional backdrop
- Host a podcast with a guest
- Add a couch for a relaxed, interview-style conversation
- Or customize the layout to bring your creative ideas to life

**Because great ideas deserve a space that makes them shine!**

**Need a spot to film your next viral TikTok, record that podcast masterpiece, or sit down for some real talk with Nicole?**

**The Rueth Team media room could be the answer!**

**1 HOUR MEDIA ROOM USE:  
\$100**

**3 HOUR MEDIA ROOM USE:
