Notifications inside Client Portal

The Client Portal Notifications feature consolidates all notifications from the client portal and its associated child apps into a centralised location – the Notifications Tab. This allows users to conveniently access and manage all their notifications within the application.

## In This Article

### How to access Notification?

- Navigate to the **Bell icon** within the application.
- All notifications, including those from child apps (courses, communities), will be listed in the same place.
- Click on each notification to view details or take relevant actions.

*All notifications for all community groups, will be found under the same place. For all in-app notifications, users get email notifications too*

**Note: All notifications sent via Client Portal (including communities) are charged.**

# Build God's House with Excellence

Whatever you do, let these verses inspire you to carry out all your tasks with dedication, excellence, and a sincere heart aimed at honoring God.

Colossians 3:23-24 "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving."

Proverbs 16:3 "Commit to the Lord whatever you do, and he will establish your plans."

Ephesians 6:7-8 "Serve wholeheartedly, as if you were serving the Lord, not people, because you know that the Lord will reward each one for whatever good they do, whether they are slave or free."

Galatians 6:9 "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."
