COACHOLOGY

COACHOLOGY SUCCESS STORIES & PARTNERS

COACHOLOGY

Training Methodology

Coachology is unique in that we work with Individuals and Companies. We tailor make our Training & Coaching to our Clients Needs. Rather than an 'off-the-shelf' approach, we conduct a thorough Needs Analysis to identify;

1. Where are you NOW
2. Where do you want to BE
3. What Obstacles or Challenges are you facing

We then create a Customised Solution that employs various proven modalities, which is then delivered experientially, utilising a Blended Learning Framework, supported by Coaching. This process ensures best Engagement, best Results and best ROI.

Why Collaborate with Us?

COACHOLOGY

We are centrally based in Bangkok, and can easily service the entire region, with support from our strategic partners & experienced team

Solutions

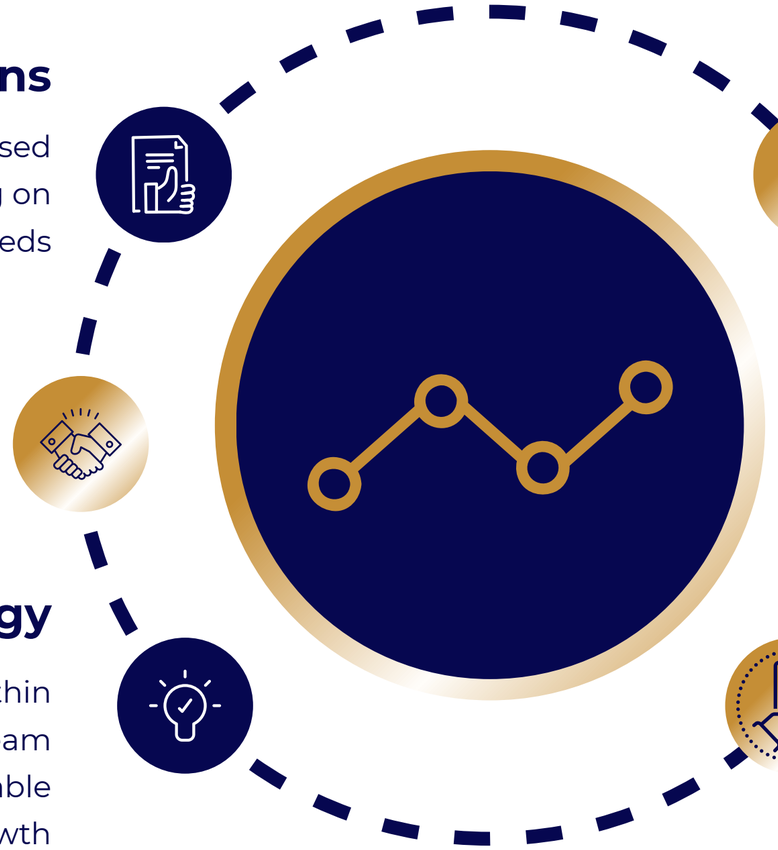

We provide Customised Solutions, focusing on YOUR needs

Tools

We have an in-depth knowledge of human behaviour, and the tools necessary to affect positive change

Synergy

We believe in creating synergy within organisations, which leads to better team engagement and long-term sustainable growth

Results

We focus on results, not excuses, We work with you as a partner, a co-creator of results

Success

Proven Success, as seen by our Success Stories

Professional & Engaging

We provide Professional & Engaging Virtual Workshops to ANY organization ANYWHERE in the World

Programs

Coach and Training programs

Coachology Is A Team Of Professional Coaches, Trainers And Facilitators Who Are Passionate To Deliver World-Class Proven Strategies And Methodologies From Coaching, Psychology, Quantum Physics And Neuroscience, To Empower And Inspire Leaders And Organizations To Achieve Their Results.

COACHOLOGY

01 NLP LEADERSHIP 4-IN-1 CERTIFICATION

Neuro-Linguistic Programming, better known as NLP, is a set of tools, techniques, systems, and processes that can be used to create positive change in yourself and your business.

02 ICF LEADERSHIP COACHING CERTIFICATION

This Coach Certification Program is designed to teach you the essential skills needed to be an effective & powerful Coach. The focus of this program is HOW to Coach Leaders, Executives & anyone wanting to improve their Life or Business.

03 NLP MASTER PRACTITIONER 4-IN-1 CERTIFICATION

NLP Leadership **Master** Practitioner Certification program builds on the key learnings and application of NLP principles from the NLP Practitioner, which is the pre-requisite for this Masters course (for NLP Practitioner level).

04 FACILITATOR TRAINING PROGRAM - FTP

This workshop is an evolution of your typical Train the Trainer program. Training is focused on imparting knowledge and skills, while facilitation is focused on guiding groups through a process of discussion or decision-making.

05 CHANGE YOUR MIND CREATE NEW RESULTS

The program will help you understand how the brain works and develop new neural pathways that will enable you to reconfigure your mind to become more resilient, creative, and collaborative.

06 EMPOWERING WOMEN WORKSHOP

The program typically focuses on empowering women to develop their leadership skills, providing support, mentorship, and Coaching.

LUKE SALWAY

COACHOLOGY

Luke, CEO & Founder of Coachology, is a Master Facilitator, Business Coach, Motivational Speaker, and MCC Certified Coach under the ICF. With 15 years of leadership experience, he's passionate about helping companies and individuals achieve success and happiness through international corporate training and personal development certifications worldwide.

Having studied and taught various forms of Personal Development for over 20 years, in Australia, USA & throughout Asia, and having Asia as his base for living & working the last 20 years, Luke has the necessary experience and tools to help companies working in Asia reach new levels of success.

With a 10-year background in manufacturing and another 10 years in hotel management, Luke developed strong problem-solving skills and a focus on communication. As a General Manager of a 5-star resort, he honed interpersonal skills and leadership competencies. Now, Luke is passionate about helping companies with Coaching Culture implementation, achieving strategic alignment, and leadership development, utilizing his expertise in NLP, ICF Coaching, and various transformational modalities.

Luke's commitment to supporting every gender and promoting DEI in leadership is integral to his coaching and training approach. By fostering an inclusive and supportive environment, he empowers individuals to develop their leadership skills, challenge gender stereotypes, and contribute to a more equitable and inclusive society.
