Letter of recommendation

Yuri Yezhelin worked at Super Sport Team as a dietitian/nutritionist and food therapist from April 2018 to February 2024.

Yuri Yezhelin conducted educational activities on nutrition for the health of the general population on television and radio. And he held mass events offline and online. And also worked with amateur athletes to improve their results and health.

He showed himself as a sociable and non-conflictual person who always strives to improve his professional level, diligent and responsible.

Yuri Yezhelin's professional skills and personal qualities make it possible to recommend him for a position related to dietitian/nutritionist and food therapist.
