

# 2023 Annual Report

## Our Journey Through Photos

COMMUNITY FOUNDATION, INC.  
*Live Local, Give Local!*

In 2023, the Prince William County Community Foundation (PWCCF) marked a year of significant expansion and impact, introducing new initiatives while expanding existing ones, thus extending our reach and service to more residents of Prince William County than ever before.

Highlights include the expansion of our annual Back-To-School Community event to two days, serving a record number of residents, and the establishment of the Backpack Buddy Bags program as a weekly staple alongside our renowned C.H.O.W. program. Additionally, we achieved record participation in our philanthropic efforts, including our annual scholarship program, microgrants, and PWC Gives initiatives. This year's annual report takes a unique approach by prioritizing visuals over text, showcasing the profound impact of our programs, the people we serve, and the community we build. Through these vibrant images, we invite you to witness the story of PWCCF's dynamic year. We look forward to continuing our mission in 2024 and thank you for joining us in reviewing our journey through 2023.

Together, we're making a huge impact to improve the quality of life for children and families in Prince William County.

**10 Million  
Meals Distributed**

In November 2023, Prince William County Community Foundation reached a monumental milestone - 10 MILLION meals distributed!!! Thank you to our incredible community, volunteers, and supporters for making this possible. Here's to the next 10 million!

2023 saw PWCCF's Health and Wellness initiatives reach our largest concentration of individuals across Prince William County. Bolstered by partnerships seen here such as Ikea Woodbridge's Operation Backpack and Team Smile, our 2023 Back-to-School Community Event impacted over 6,000 individuals!
