

CHASING FAILURE

“The one thing all successful people have in common is failure. They made films no one wanted to see. Wrote blogs no one wanted to hear. But they kept going....all the way to success.”

Ryan Leak

Oftentimes, we see failure as something to be avoided. But what if sought not to run from it, but instead to seek it out – and even chase it? In this 6-week mastermind, acquire the mindsets to “set yourself up” for failure, build resilience and develop a winning mindset to achieve ultimate success.

As author and motivational speaker Ryan Leak challenges us, “Why not make the next five years the best years of your life and go for it?” Join this mastermind today and learn how to chase failure well.

1. Setting you Up to fail & Kobe made me do it
2. Reframing failure & never give up-ish
3. Who wants to be a millionaire & shame off you
4. 50 Shades of they & all I do is win

5. Friends, don't fail me now & just do it scared
6. If at first you don't fail, try again & don't wait for Monday
