

These Terms & Conditions (“Terms”) govern your purchase and use of the **Career Builders GPT** (“Service”), created and owned by **Tami Halliman / Smart AI Women**. By purchasing, accessing, or using this Service, you agree to these Terms in full. 11/30/2025

## 1. Nature of the Service

Career Builders GPT is an AI-assisted career development tool that offers prompts, guidance, and strategic insight. It is **not** a substitute for professional legal, financial, mental health, or employment advice.

The Service is provided for **educational and informational purposes only**.

## 2. Lifetime Access

Your purchase includes **lifetime access** to Career Builders GPT, which means:

- Access for as long as the tool exists and is supported
- Access to updates related specifically to this GPT
- No recurring fees for the GPT itself

“Lifetime” refers to the lifetime of the *product*, not your personal lifetime or the lifetime of any external platform (including OpenAI/ChatGPT).

If ChatGPT changes its policies, removes GPT access, or modifies Plus features, your access may be affected.

## 3. Payment & Refund Policy

The purchase price is **\$19 USD**, paid in full at checkout.

Because this is a digital product with instant access:

**All sales are final. No refunds.**

## 4. Personal Use License

Your purchase grants **one (1) personal-use, non-transferable license**.

You may **not**:

- Share your GPT link or access with other individuals
- Resell or redistribute the tool

- Copy, extract, or recreate the system, prompts, or structure
- Use the tool to create a competing product
- Claim the content as your own work

Violation may result in termination of access without refund.

## 5. Platform Requirement: ChatGPT Plus

Career Builders GPT requires:

- An active **ChatGPT Plus subscription**
- A stable internet connection
- Acceptance of OpenAI's Terms of Use

Your lifetime access covers **the Career Builders GPT**, but **does not cover**:

- ChatGPT Plus subscription fees
- Any future AI platform fees
- Any third-party costs associated with accessing AI tools

If ChatGPT Plus discontinues GPT access or changes how GPTs are supported, your access may be impacted.

## 6. No Guaranteed Results

Career Builders GPT provides tools and guidance, but does **not** guarantee:

- Employment placement
- Income increases
- Promotions or business results
- Specific career outcomes

Your results depend on your effort, actions, and personal choices.

## 7. User Responsibilities

You agree to:

- Use the tool ethically and for personal use
- Not upload harmful, illegal, abusive, or inappropriate content
- Not misuse AI systems for unethical or fraudulent purposes
- Follow OpenAI's use policies

Breaking these rules may result in revoked access.
