WHO WILL BE THE NEXT ONE IN THE HOT SEAT?!

There are over 100 questions to choose from! Some are silly, some are ridiculous, some make you think twice, and some are just plain wack. haha!

The point is to HAVE FUN! Don't think too much! When the clock is ticking and the pressure is on, you never know what will come out of your mouth!

## HOW TO PLAY

Decide who will be the one to be thrown into the frying pan first... Set a timer for 30 seconds or 1 minute; (try a round or two and see which works best for you)

See if you can answer a set number of questions before the clock runs out (try 5 or 10, depending on how much time you allot.

You could play teams and score a point for each answer given within the time. If using to kick off a meeting, do a rapid-fire-round-robin and go around the room a couple times to create some energy!

There really are no rules here. Sometimes we don't even call time, we just ask questions and use the pressure of the clock to add urgency. Make it fun!
