A Matching Game for Couples

## A MATCH MADE IN HEAVEN

All 8 Volumes

This is a lighthearted and laughter-filled game designed to playfully test how well you know each other and bring you closer together, maybe even discovering new things about each other along the way. Enjoy this game on an anniversary, date night, take with you on a trip, or picnic! You have 200 questions from all 8 Volumes, divided into sections, right here in this one easy pack! Make it FUN!

Here's how to play: Set aside a cozy moment together. Decide who will be Partner A and who will be Partner B.

**Option 1:** Print out two sets of questions, one for each of you. Put on your favorite songlist while you individually fill in your answers to each question. When you're both done, compare your answers and see how many matches you have!

**Option 2:** Print a set of questions or simply read from digital version. Read a question aloud. Give yourselves time to think about your answer. Then count to 3 and both say your answer out loud together! Did you match? Keep tally of the ones you matched to add your score at the end!

Remember, there's no pressure to get them all right. It's all about laughing together, learning more about each other and having some fun. Enjoy spending some quality time together and be silly.
