

# **CUSTOMIZABLE ICE-BREAKER BINGO!**

**GREAT NETWORKING GAME  
FOR BUSINESS OR SOCIAL EVENTS**

IDEAL FOR  
SMALLER GROUPS!

# FILL-IN-YOUR-OWN BINGO BOARD!

For this game, you'll need to do some prep work ahead of time!

Send out the following questions to your team/guests and then use some of the answers you receive to fill in squares on the bingo board.

Some answers may be unique to one person; some may have multiple correct answers.

For example, 8 people might say they are not a morning person, so make "NOT A MORNING PERSON" one of the squares. Or 3 might not list Mexico as a country they've traveled to so make one of the squares: "NEVER BEEN TO MEXICO"

Using some squares like this makes it a little easier for people to get BINGO! **MAKE IT FUN!**

# HOW TO PLAY!

You can use this game during an event to encourage mingling while trying to fill in the answers. You can give a prize to the first person

to get a BINGO or you can say you're playing "Blackout Bingo" and they have to complete the whole board! Be sure to announce the answers in a fun way so everyone can learn and laugh together.

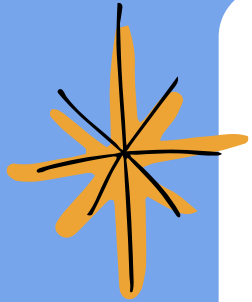

Another option is to hand out the bingo cards at the beginning of a meeting or event and set a timer for 3 minutes. Players have to fill in their boards as fast as they can with their best guess as to who they think owns the square. Have fun revealing the answers as you go through the board together!

*\*Funny option: you can add a square that says: "Who was the first person to respond to the email?" or "Who was the last person to respond to the email?" This always usually generates some laughs and helps make light of our different personalities!*
