

Asset #27: Equality and Social Justice

Youth are more likely to grow up healthy when they place high value on promoting equality and reducing hunger and poverty.

One way to promote equality and social justice is by giving your time, money, or talent to an organization that seeks to reduce hunger, poverty or injustice.

Talk Together!

Questions to discuss with your child:

- How do you feel when you are treated unfairly by others? Why?
- Which injustices in the world bother you the most? Why?
- What can our family do about injustice, hunger and poverty?
