Instructional Session

Uncovering Your Worldwide Heritage

Explore how FOREVER Genealogy helps clients connect with their roots—across countries and continents. Learn about our full-service research options, including expert research in a wide range of languages and foreign locations. And we will give you our best tips to get started!

1:15pm – 2:25pm

Guided Open Discussion

Live Genealogy Exchange

Join us for an open discussion on key genealogy topics and learn from our professional genealogists. Whether you're just starting out or are deep into your research, there's something for everyone!

This will be an open discussion, so come prepared with your questions and let's dive in! The main topics will be:

- Getting Started with Genealogy
- Records & Sources
- Brick Walls & Problem Solving
- Ethnic & Foreign Research
- DNA & Genetic Genealogy
- Organization & Preservation
- Open Q&A: Did we miss something?
