Academic Update

New Science Requirement for High School Graduation

In alignment with the latest California Department of Education standards, Cadets at ANA will now be required to complete ***three years of science*** to be eligible for a high school diploma, an increase from the previous two-year requirement.

This change is designed to better prepare students for college and career pathways by strengthening their foundation in scientific literacy and critical thinking. Our school is committed to supporting students through this transition and will provide guidance to help them stay on track for graduation.

If you have any questions or concerns, please feel free to contact the counseling office. Thank you for your continued partnership in your child's education.

Exciting New Class Offering: Speech and Debate

We are excited to announce the addition of a Speech and Debate class to our course offerings this school year! This engaging new course will give cadets the opportunity to build valuable skills in public speaking, critical thinking, argumentation, and effective communication.

In addition to classroom learning, students enrolled in Speech and Debate will also have the opportunity to participate in local and regional competitions, representing our school in a variety of events, including persuasive speaking, debate formats, and impromptu speaking challenges.

This is a fantastic opportunity for cadets to grow academically and personally, while also gaining experience that strengthens college applications and career readiness.

Stay tuned for more information in the next couple of weeks in regards orientation and the start of the school year 2025-2026!

Help Us Share the Warrior Experience!

Your positive words help others learn about the transformational experience we provide at Army and Navy Academy.

Please help us by writing a review on [Niche.com](#).

Event Invitation Header

We have reached capacity for our Beverly Hills dinner event on July 17. If you are interested in being added to the wait list, please email advancement@armyandnavyacademy.org.

Beverly Hills

Support Army and Navy Academy through your attendance and sponsorship at the Carlsbad Food & Wine Festival, on Saturday, July 26th, from 4:00-7:00 p.m. at Viasat. Purchase tickets at www.carlsbadwineandfoodfestival.com or become a sponsor by contacting advancement@armyandnavyacademy.org.

2025

For the second year, Army and Navy Academy is hosting the American Cancer Society's Relay for Life on August 15, 2025. Join our team by scanning the QR code below and [supporting our fundraising efforts](#) to raise money for cancer research.

[Dedicate a luminaria](#) to honor a loved one lost, someone currently battling cancer, or anyone who's overcome it. After dark, each luminaria is lit in remembrance of a life touched by cancer while relay participants take a moment to remember the loved ones they're dedicated to. All donations fund the American Cancer Society's mission to help save lives.

2025 Relay for Life hosted at ANA

Save the date for our August 22–24 Warrior Football Weekend in Las Vegas! Tailgate and cheer on the Warriors with alumni, families, and fans. Register for events and book your hotel using the QR codes below.
