

# DISCOURSE STEMS

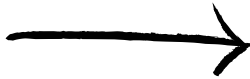

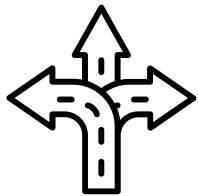

## *Add and Affirm*

- I agree with \_\_\_\_ because...
- My idea is related to \_\_\_\_'s. (Share idea)
- That's a great start. We can build on that idea if we...

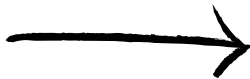

## *Clarify and Explain*

- \_\_\_\_, would you please repeat that?
- What other information do we need?
- What would be an example of \_\_\_\_?
- How do we know \_\_\_\_?

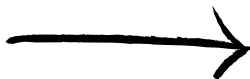

## *Consider Alternatives*

- I have another suggestion.
- I thought about this a little differently.
- Let's try \_\_\_\_.
- I agree with this part. I was also thinking...

## *Include All Voices*

- Who else would like to share an idea?
- Who has a strategy we haven't explored?
- \_\_\_\_, what do you think?
- Has everyone contributed?

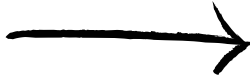

## *Propel the Conversation*

- Say more about that?
- Let's determine our next steps.
- What are we curious about?
- How can we connect this to \_\_\_\_.

# DISCOURSE STEMS

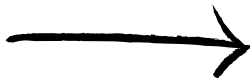

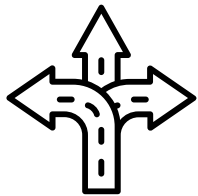

## *Add and Affirm*

- "I like what \_\_\_\_ said because..."
- "That's what I was thinking too!"
- "I agree with \_\_\_\_ and I want to add..."
- "That's a good idea. What if we also..."

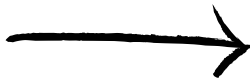

## *Clarify and Explain*

- "Can you say that again, please?"
- "What do you mean by that?"
- "How do we know that's true?"
- "Can you give an example?"

## *Consider Alternatives*

- "I have a different idea."
- "What if we try this way?"
- "I was thinking something else."
- "I agree with part of that, but I was also thinking..."

## *Include All Voices*

- "Who else wants to share?"
- "Does anyone have another way?"
- "\_\_\_\_, what do you think?"
- "Let's make sure everyone had a turn."

## *Propel the Conversation*

- "Can you tell us more?"
- "What should we do next?"
- "What are we still wondering about?"
- "How does this connect to what we learned?"
