Tips for Examination Preparation

The following suggestions will help you prepare for your examination. Planned preparation, in addition to the required classroom hours, increases your likelihood of passing.

- Use the examination content outline provided in this Candidate Information Bulletin as the basis of your study. The outline itself is a study tool because it can familiarize you with real estate terms.
- Learn the major points associated with each outline topic.
- Select study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory. Underline or highlight key ideas that will help with a later review.
- Read the study materials, making sure you understand each idea before going on to another.
- Check each topic off the outline when you feel you have an adequate understanding. Plan to take your examination when all topics have been checked.
- Discuss new terms or concepts as frequently as you can

with colleagues. This will test your understanding and reinforce ideas.

- Your studies will be most effective if you study frequently, for about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

Description of Examinations and Examination Content Outlines

The Examination Content Outlines have been approved by the Maryland Real Estate Commission. These outlines reflect the minimum knowledge required by real estate professionals to perform their duties to the public in a competent and responsible manner. Changes in the examination content will be preceded by changes in these published examination content outlines.

Use the outlines as the basis of your study. The outlines list all of the topics that are on the examination and the number of items for each topic. Do not schedule your examination until you are familiar with all topics in the outlines.

The Examination Summary Table below shows the number of questions and the time allowed for each examination portion.

EXAMINATION SUMMARY TABLE			
Examination	Portion	Number of Questions	Time Allowed
Salesperson	National	80 (80 points)	90 Minutes
	State	30 (30 points)	30 Minutes

	State	40 (40 points)	30 Minutes

Experimental Questions

A small number of “experimental” questions (i.e., 5 to 10) may be administered to candidates during the examinations. These questions will not be scored and the time taken to answer them will not count against testing time. The administration of such unscored, experimental questions is an essential step in developing future licensing exams.

Exam Accommodations

All PSI examination centers are equipped to provide access in accordance with the Americans with Disabilities Act (ADA) of 1990, and exam accommodations will be made in meeting a candidate's needs. A candidate with a disability or a candidate who would otherwise have difficulty taking the

examination should request for alternative arrangements by [Clicking Here](#).

Candidates granted accommodation in accordance with the ADA, MUST schedule their examination by telephone and speak directly with a PSI registrar.

Canceling an Appointment

You may cancel and reschedule an examination appointment without forfeiting your fee if your *cancellation notice is received 2 days before the scheduled examination date*. For example, for a Monday appointment, the cancellation notice would need to be received on the previous Saturday. You may call PSI at (855) 744-0318.

Note: A voicemail or email message is not an acceptable form of cancellation. Please use the PSI Website or call PSI to speak directly to a Customer Service Representative.

Missed Appointment or Late Cancellation

If you miss your appointment, you will not be able to take the examination as scheduled, further you will forfeit your examination fee, if you:

- Do not cancel your appointment 2 days before the scheduled examination date;
- Do not appear for your examination appointment;
- Arrive after examination start time;
- Do not present proper identification when you arrive for the examination.

Registering to Retake an Examination

It is not possible to make a new examination appointment on the same day you have taken an examination; this is due to processing and reporting scores. A candidate who tests unsuccessfully on a Wednesday can call the next day, Thursday, and retest as soon as Friday, depending upon space availability. You may access a registration form at <https://test-takers.psiexams.com/mdre>. You may also call PSI at (855) 744-0318.
