- remove any copyright or other proprietary notations from any materials and software on this website;
- transfer the materials to another person or "mirror" the materials on any other server;
- knowingly or negligently use this website or any of its associated services in a way that abuses or disrupts our networks or any other service Riff Haven Audio provides;

Intellectual Property

The intellectual property in the materials contained in this website are owned by or licensed to Riff Haven Audio and are protected by applicable copyright and trademark law. We grant our users permission to download one copy of the materials for personal, non-commercial transitory use.

This constitutes the grant of a licence, not a transfer of title. This licence shall automatically terminate if you violate any of these restrictions or the Terms of Service, and may be terminated by Riff Haven Audio at any time.

Liability

Our website and the materials on our website are provided on an 'as is' basis. To the extent permitted by law, Riff Haven Audio makes no warranties, expressed or implied, and hereby disclaims and negates all other warranties including, without limitation, implied warranties or conditions of merchantability, fitness for a particular purpose, or non-infringement of intellectual property, or other violation of rights.

In no event shall Riff Haven Audio or its suppliers be liable for any consequential loss suffered or incurred by you or any third party arising from the use or inability to use this website or the materials on this website, even if Riff Haven Audio or an authorised representative has been notified, orally or in writing, of the possibility of such damage.

In the context of this agreement, "consequential loss" includes any consequential loss, indirect loss, real or anticipated loss of profit, loss of benefit, loss of revenue, loss of business, loss of goodwill, loss of opportunity, loss of savings, loss of reputation, loss of use and/or loss or corruption of data, whether under statute, contract, equity, tort (including negligence), indemnity or otherwise.

Because some jurisdictions do not allow limitations on implied warranties, or limitations of liability for consequential or incidental damages, these limitations may not apply to you.

Accuracy of Materials

The materials appearing on our website are not comprehensive and are for general information purposes only. Riff Haven Audio does not warrant or make any representations concerning the accuracy, likely results, or reliability of the use of the materials on this website, or otherwise relating to such materials or on any resources linked to this website.

Links

Riff Haven Audio has not reviewed all of the sites linked to its website and is not responsible for the contents of any such linked site. The inclusion of any link does not imply endorsement, approval or control by Riff Haven Audio of the site. Use of any such linked site is at your own risk and we strongly advise you make your own investigations with respect to the suitability of those sites.

Right to Terminate

We may suspend or terminate your right to use our website and terminate these Terms of Service immediately upon written notice to you for any breach of these Terms of Service.

Severance

Any term of these Terms of Service which is wholly or partially void or unenforceable is severed to the extent that it is void or unenforceable. The validity of the remainder of these Terms of Service is not affected.

Governing Law

These Terms of Service are governed by and construed in accordance with the laws of The United States. You irrevocably submit to the exclusive jurisdiction of the courts in that State or location.

We use cookies to help improve your experience of our website at <https://www.riffhavenaudio.com>. This cookie policy is part of Riff Haven Audio's privacy policy. It covers the use of cookies between your device and our site.

We also provide basic information on third-party services we may use, who may also use cookies as part of their service. This policy does not cover their cookies.

What is a cookie?

A cookie is a small piece of data that a website stores on your device when you visit. It typically contains information about the website itself, a unique identifier that allows the site to recognise your web browser when you return, additional data that serves the cookie's purpose, and the lifespan of the cookie itself.

Cookies are used to enable certain features (e.g. logging in), track site usage (e.g. analytics), store your user settings (e.g. time zone, notification preferences), and to personalise your content (e.g. advertising, language).

Cookies set by the website you are visiting are usually referred to as first-party cookies. They typically only track your activity on that particular site.

Cookies set by other sites and companies (i.e. third parties) are called third-party cookies. They can be used to track you on other websites that use the same third-party service.

How Can You Control Our Website's Use of Cookies?

You have the right to decide whether to accept or reject cookies on our Website. You can manage your cookie preferences in our Cookie Consent Manager. The Cookie Consent Manager allows you to select which categories of cookies you accept or reject. Essential cookies cannot be rejected as they are strictly necessary to provide you with the services on our Website.

You may also be able to set or amend your cookie preferences by managing your web browser settings. As each web browser is different, please consult the instructions provided by your web browser (typically in the "help" section). If you choose to refuse or disable cookies you may still use the Website, though some of the functionality of the Website may not be available to you.

How Often Will We Update This Cookie Policy?

We may update this Cookie Policy from time to time in order to reflect any changes to the cookies and related technologies we use, or for other operational, legal or regulatory reasons.

Each time you use our Website, the current version of the Cookie Policy will apply. When you use our Website, you should check the date of this Cookie Policy (which appears at the top of this document) and review any changes since the last version.
