

# *Home School Program*

- 1). – *The home schooling is the most powerful form of education.*
- 2). – *Students who homeschooled are five to ten years more socially advance than their peers.*
- 3). – *As a home-schooling parent, you don't have to worry about your children being bullied at school.*
- 4). – *As a home-schooling parent, you don't have to worry about other children influencing your children to use drugs.*

5). – *As a home-schooling parent, your children will not be subject to poisonous vaccines, that cause autism and other dreadful diseases.*

6). – *As a home-schooling parent, you don't have to worry about your child being subjected to chemical sex changes to the opposite sex without your knowledge or consent.*

7). – *Home schooling children are usually "A" student and are five to ten years more mature than kids in their age bracket.*

8). – *Home schooling does not mean your children always stay at home to learn. I had my children in 36 different developmental programs, and three colleges. They learn to sing, dance, violin, piano, fencing, baseball, basketball, swimming and multiple other skills.*

9). – *Home schoolers can work, start businesses and are required to save money weekly, open a bank account at twelve years old and develop skills in finance.*

10). – *I asked the head of one of the departments why all colleges accept my kids into their school with no problems? He answered they are motivational to the other students because, your children who are only nine and twelve will always get "A's." This inspires other students to wake up and get down to business.*

11). – *Home school students are usually skilled in many areas, they play instruments, speak multiple languages and are far more educated and traveled than public and private schooled kids.*

12). – *Children subjected to home schooling are far more discipline and successful than other children.*

13). – *Home schooled children have more time to go to museums, aquariums, parks, Fencing, sports of all kinds, and have a large exposure to far more social environments they live in. Sign up for that here.*

*Sign up for a half-hour free coaching session.*
