

# Toddler Potty Training Must-Haves

simple tools for a smoother transition

## **potty training in 3 days book**

I used this book as the basis for all that I did to potty train

## **travel potty + disposable bags**

perfect for outings, car rides, and emergencies.

## **step stool potty seat**

foldable potty seat with step stool ladder

## **portable potty seat**

compact, portable, and adjusts to any toilet

# Toddler Potty Training Must-Haves

simple tools for a smoother transition

## **sticker reward chart**

fun and visual way to track potty success.

## **special treats**

motivate with your toddler's favorite goodies.

## **training underwear: for girls | for boys**

absorbent but helps them feel accidents.

## **3 days at home**

clear your calendar and stay consistent
