

TODDLER SAFETY FAVORITES

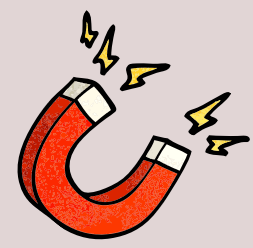

Baby Gate

Easy to adjust to your area you're gating.
We use this for the bottom of our stairs.

Magnetic Cabinet Locks

No tools needed. Works amazing for
drawers and cabinets under sinks.

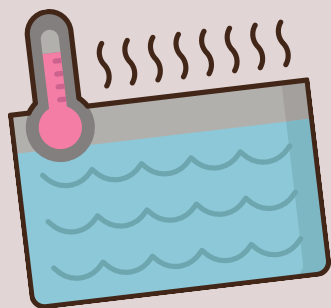

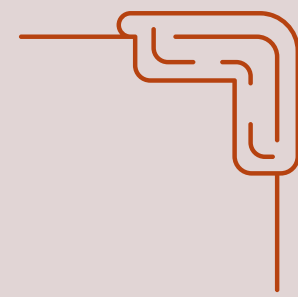

Extra Magnetic Keys

Because the original always
disappears eventually.

Clear Corner Guards

Saves from hospital visits-ha!
Softens sharp edges on furniture
without being an eyesore.

Bath Thermometer

Tells you instantly if the water's
too hot—no guessing.

TODDLER SAFETY FAVORITES

Outlet Covers

Easy to pop in, hard for toddlers to yank out.

Stove Knob Covers

Stops little hands from accidentally turning burners on.

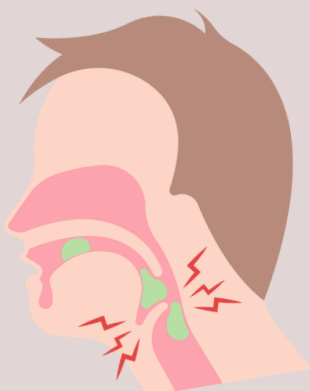

Spout Cover

Protects tiny heads from metal faucets (and adds a little fun).

Choking Rescue Device

Peace of mind for emergencies I hope we never face.
