

Favorite, non-tox baby bath swaps

Soap

- ♥ Earth Mama – Gentle castile base with calming lavender, no synthetic fragrance.
- ♥ Pipette – Tear-free and sulfate-free with clean vanilla ylang ylang scent.

Lotion

- ♥ Earth Mama – Deeply hydrating with calendula + shea, safe enough for newborns.
- ♥ Attitude Baby Leaves – EWG Verified, no scent, no questionable fillers.

Filter

- ♥ Bath filter like this – Helps reduce chlorine + minerals that dry skin (we originally used the Tubo brand, but they've since closed—this is the closest alternative I've found)

Bubble bath

- ♥ Attitude Baby Leaves – EWG Verified, no fragrance, no essential oils — cleanest pick (Vanilla & Pear).
- ♥ Honest Co. – Tear-free with essential oils (lavender + chamomile); best for 6+ months.

Towels

- ♥ Muslin baby towels – Soft, breathable, and perfect for sensitive baby skin.
