Presented by Nicole Nolan from WiseLearn Education

Join us for a unique opportunity to explore tools and resources that **extend beyond the typical school discussions**. This workshop is designed to equip parents with strategies that truly support their child's adjustment to school life, **going beyond the practicalities** of the first few days.

Led by Nicole Nolan, an educator with nearly 30 years of experience in teaching and leadership, this workshop utilises her vast expertise with children and families during their crucial early school years. Nicole's deep background in **social and emotional learning integration**, along with her qualifications in psychology and communications, are combined with her passion for quality literature, offering a transformative framework to help children effectively understand and regulate their emotions to support change.

Nicole believes in **fostering creativity and connection**, bringing together innovative and engaging tools that captivate and inspire young learners. By creating a learning environment that is both fun and enriching, she empowers parents and educators to connect deeply with their children, enhancing their ability to thrive in school and beyond.

Who's this workshop for?

Parents, grandparents, educators (especially early career teachers) and pre-service educators.

Don't miss this chance to learn from an expert and discover how you can make a significant impact on your child's school journey with approaches that are not only educational but also deeply meaningful.

Beyond the School Gates ♥ Empowering Your Child's School Journey

Nicole will guide you through engaging topics designed to support your child holistically.

Workshop Highlights:

1. Navigating Change

Understand how stress impacts children and discover practical relaxation tools to create a calming home environment.

2. Building Connections

Learn the value of a strong parent-child connection and explore daily engagement strategies that make a difference.

3. Social and Emotional Learning (SEL)

Dive into SEL fundamentals and learn simple ways to incorporate them into daily life for meaningful growth.

4. Literacy Development

Discover how early literacy activities can be fun and rewarding, setting a foundation that blends SEL and storytelling.

5. Resources and Next Steps

Explore supportive tools and plan future steps to continue nurturing your child's educational journey.

6. Connect with other parents and educators

Enjoy a cup of coffee or tea and share your experiences.

On the day, participants will also have the option to buy a **Relax Pack** or a **Literacy Pack** to support their child's learning journey in fun and engaging ways.

There are also prizes up for grabs!
