INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Rocky Mountain SER/ Jobs for Progress, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Rocky Mountain SER/Jobs for Progress, Inc., (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

15800 Pines Blvd. Suite 3002 Pembroke Pines, FL 33027 Telephone: 954-362-5195 Fax: 954-430-8776

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards is presented for purposes of additional analysis, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. NOTE 1- ORGANIZATION

Rocky Mountain SER/Jobs for Progress, Inc. ("RMSER", "the Organization") is a Colorado nonprofit corporation established in 1980. RMSER's primary function is to serve individuals residing in Colorado who have physical, social, emotional or economic needs by aiding in the development of self-sufficiency and growth. RMSER also serves as a resource to other community organizations that are working with those people. A primary goal of RMSER is to address the fundamental service needs of people while not duplicating the efforts of other agencies. Primary funding for such services is provided through grants and contracts with the State of Colorado, Office of Rural Job Training, the U.S. Department of Labor, and the U.S. Department of Health and Human Services. Additional funding is provided through grants from state and local government agencies and private donations.

RMSER's major activities and programs are described below:

Programs:

Vocational Education and Training: Adult and youth vocational education and training including all costs associated with classroom vocational training as well as on-site job training and all necessary support structure costs including, but not limited to, the following: basic education, GED preparation, English as a second language (ESL), emergency transportation, child-care, tools and work clothes financial assistance.

Children's Education and Family Support: Programs for childhood education, health, and safety. This program includes all costs associated with pre-school programs, children's health and safety programs and family support programs designed to maximize childhood education, health and safety.

Supporting Services:

Management and General: Direct and indirect costs associated with the management and administration of RMSER.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

FINANCIAL STATEMENT PRESENTATION

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Under Financial Accounting Standards Board ("FASB"), Accounting Standards Codification ("ASC") Topic 958-210, the Organization is required to report information regarding its financial position and activities according to two of net assets: Without Donor Restrictions and With Donor Restrictions.

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

FINANCIAL STATEMENT PRESENTATION (CONTINUED)

Net Assets Without Donor Restrictions — Net assets that are not subject to donor-imposed restrictions. These net assets, including Board designations, are legally unrestricted and can be used in any Organization activity.

Net Assets With Donor Restrictions — Net assets subject to donor-imposed restrictions that may or will be met by actions of the Organization and/or the passage of time or restrictions that require resources maintained in perpetuity.

To insure observance of limitations and restrictions placed on the use of resources available to the Organization, the accounts of the Organization are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose.

CASH EQUIVALENTS

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

GRANT REVENUE AND RECEIVABLE

Grants receivable consists of federal and state awards from various agencies, as well as fee for services contracts from non-government entities. These grants are on either a cost reimbursement basis or fee for service, including recoverable overhead. Grant revenues are deemed earned and reported as without donor restrictions support when expenses are incurred in compliance with specific grant agreements. Management reviews the collectability of grants receivable and assesses the need for an allowance for doubtful accounts. There was no allowance for doubtful accounts at June 30, 2020 and 2019. Expenses are recorded when incurred; unpaid expenses are recorded as accounts payable and accrued expenses.

PROPERTY AND EQUIPMENT

RMSER records property and equipment at cost if purchased or fair value if contributed and charges depreciation over the estimated useful lives of the respective assets on a straight-line basis. The estimated useful lives of assets range from three to thirty-nine years relating to depreciable asset classes of Furniture, fixtures, and equipment; Vehicles; Buildings; and Leasehold improvements.

RMSER's capitalization policy was established to be in conformity with federal requirements; these requirements dictate that all property and equipment purchased with federal funds in excess of \$5,000 be capitalized and depreciated. Purchases made with unrestricted funds in excess of \$5,000 are capitalized and depreciated.

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PUBLIC SUPPORT AND REVENUE

Grants and contributions which are limited to the use of various program activities, are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributions of donated noncash assets are recorded at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, and are provided by persons possessing those specialized skills, and would need to be purchased if not provided by donation, are recorded at their fair values in the period received.

DEFERRED REVENUE

The Organization reports deferred revenue on its financial statements when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when the Organization has earned the revenue, the liability for deferred revenue is reduced and revenue is recognized.

FUNCTIONAL ALLOCATION OF EXPENSES

The cost of providing the various programs and other activities of the Organization have been allocated among the programs and supporting services benefited.

INCOME TAX STATUS

The Organization is incorporated in the State of Colorado as a nonprofit organization and has qualified as a tax exempt organization under Internal Revenue Code ("IRC") Section 501(c)(3), and as such, is only subject to Federal income tax on unrelated business income. There was no income tax resulting from unrelated business income during the years ended June 30, 2020 and 2019.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken and has concluded that as of June 30, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. If the Organization were to incur an income tax liability in the future.

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

IN-KIND DONATIONS

Presentation: In-Kind donations on the accompanying financial statements are reported on RMSER's fiscal years for the years ended June 30, 2020 and 2019.

Facilities: Donated facilities are recorded as contribution at their estimated fair values at the date of donation. Donated facilities recorded at June 30, 2020 and 2019 were \$402,501 and \$578,857, respectively.

Property and Equipment: Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. RMSER reports expirations of donor restrictions over the useful lives of the assets as the donated or acquired assets are depreciated. No property and equipment were donated during the fiscal years ended June 30, 2020 and 2019.

Services: Certain volunteers assisting RMSER with specific assistance to programs and various committee assignments performed donated services that meet the criteria for recognition under ASC 905 (services that create or enhance a nonfinancial asset or require specialized skills, are provided by entities or persons possessing those skills, and would need to be purchased if they were not donated.) Accordingly, the financial statements reflect donated services as in-kind contributions under both revenue and expense for the fiscal year ended June 30, 2020. In-Kind Services totaling \$0 and \$1,587,759 were recorded in the fiscal year ended June 30, 2020 and 2019, respectively. NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

IN-KIND DONATIONS (CONTINUED)

Materials and Goods: Donations of materials and goods are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. RMSER reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. RMSER reclassifies temporarily restricted net assets to unrestricted net assets at that time. Donated goods recorded as In Kind for the fiscal year end June 30, 2020 and 2019 was \$0 and \$359,644, respectively.

Head Start Required Local Match: Head Start annual grant agreements require RMSER to report a local match of 20% of total program awards per calendar year. For this purpose, In Kind donated facilities, services and goods are included in this matching amount. In addition, RMSER includes local grants and contributions and the value of non-professional volunteer services in their local match calculation. Certain of these volunteer services do not qualify for recognition in the financial statements under ASC 905. During the year ended June 30, 2020, there were no in-kind contributions due to COVID-19.

USE OF ESTIMATES IN THE PREPARATION OF FINANCIAL STATEMENTS

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, support and expenses during the reporting period. Actual results could differ from those estimates.

FAIR VALUES OF FINANCIAL INSTRUMENTS

RMSER has a number of financial instruments, consisting primarily of cash, grants and other receivables, accounts and notes payable, accrued expenses, and the line of credit. None of the financial instruments are held for trading purposes. RMSER estimates that the fair value of all financial instruments at June 30, 2020 and 2019 does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position. The estimated value of the financial instruments was based upon the short-term nature of the financial instruments and the fact that the interest rate on the line of credit fluctuates with the prime interest rate.

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 3 — RISKS AND UNCERTAINTIES

Support from Outside Agencies

The Organization receives most of its support from government and other grants. A significant reduction in the level of this support, if it were to occur, could have a significant effect on the Organization's ability to continue services and activities.

Grant revenue amounts are subject to audit and adjustment. If any expenses are disallowed by a grantor agency as a result of an audit, any claim for reimbursement would become a liability of the Organization. In the opinion of management, all grant expenditures are in compliance with the terms of the grant agreement and applicable laws and regulations.

Concentration of Risk

The Organization maintains cash balances at one financial institution. The Federal Deposit Insurance Corporation ("FDIC") insures depositors up to \$250,000. At certain times during the year, the Organization had amounts on deposit that were in excess of the federally insured limits. Cash is maintained at a high quality financial institution, which the Organization believes limits its credit risk.

NOTE 4 —ACCOUNTS RECEIVABLE

Accounts receivable represents amounts due to RMSER at June 30, 2020 and are recorded using the accrual basis of accounting. As of June 30, 2020, and 2019, grants receivable totaled \$688,554 and \$1,564,065, respectively.

It is the policy of RMSER to ensure that all available means of collecting accounts receivable have been exhausted before write-off procedures are initiated. Write-offs are initiated by the department associated with the amount to be written off, in conjunction with the accounting department. If an account receivable is deemed uncollectible, the appropriate approvals by upper management are required. No bad debt allowance was considered necessary for the years ended June 30, 2020 and 2019.

NOTE 5 —PREPAID EXPENSES

Prepaid expenses consist of advance payments made by RMSER as of June 30, 2020. With the passage of time, the advance payments will gradually expire, and the expired portion will be expensed accordingly. As of June 30, 2020 and 2019, there was no in prepaid expenses.

NOTE 6 — FUNDRAISING

RMSER participates in fundraising activities. During the year ended June 30, 2020 and 2019, total cost of all fund-raising activities was \$2,641 and \$14,162, respectively.

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 7 — RESTRICTIONS OF NET ASSETS

As of June 30, 2020, and 2019, net assets with donor restrictions consist solely of the undepreciated net book value of fixed assets purchased with federal funds of \$380,069 and \$380,069, respectively. Property and equipment acquired with various grant funds are recorded as net assets with donor restrictions upon the purchase of the equipment. RMSER is subject to restrictions on sale or other disposition of the property as specified by the various grantor agencies. Also, should the grantor discontinue funding, all property acquired with the grant funds may be recovered by the grantor.

NOTE 12 — EMPLOYEE BENEFIT PLANS

RMSER has a qualified tax-sheltered annuity plan for its employees established under Section 401 (k) of the Internal Revenue Codes. All employees are eligible to participate in the plan on the first day of each month only after 1,000 hours of service has been performed within a twelve-consecutive-month period of time and the employee is at least 21 years old. Eligible employees can contribute an amount between 1% and 15% of compensation as defined by the Plan, limited by the requirements of the Internal Revenue Code. RMSER's matching contributions are calculated at 3% of the employee's eligible compensation plus 1/2% for each additional 1% contributed by the employee up to 5% for a maximum employer matching contribution of 4%.

RMSER contributed \$185,939 to the plan during the fiscal year ended June 30, 2020 and contributed \$137,189 to the plan during the fiscal year ended June 30, 2019.

RMSER may, at its discretion, make a Profit Sharing contribution to the plan. The Profit Sharing contribution will be allocated in proportion to the sum of eligible compensation plus eligible compensation in excess of 80% of the Social Security Taxable Wage Base. RMSER made no Profit Sharing contributions in the fiscal years ended June 30, 2020 and 2019.

Participants are fully vested in their individual contributions and the earnings thereon. Participants are also fully vested in their Organization matching contribution and the earnings thereon after three or more years of service.

NOTE 13—SELF FUNDED HEALTH INSURANCE

RMSER funds its own health insurance plan which is administered through a third party. All health insurance claims incurred by covered employees and their families (when applicable) are paid by RMSER. Claims paid reduce RMSER's health insurance liability which has been established throughout the years from:

- Funds withheld from employee's paychecks representing the employee paid portion and
- An accrued expense representing RMSER's portion of health insurance provided to the employees

FOR THE YEARS ENDED JUNE 30, 2020 AND 2019

NOTE 13—SELF FUNDED HEALTH INSURANCE (CONTINUED)

The third-party administrator determines RMSER's terminal liability which is pre-set cost for claims that protects RMSER from claims that are incurred after termination. The liability reflected within the financial statements, represents RMSER's total terminal liability. As of June 30, 2020, and 2019, the estimated liability is \$0 and \$173,969, respectively and is included in Employee benefits payable on the Statements of Financial Position.

The Organization has a defined contribution pension plan covering all employees who meet the age and service requirements, as defined. A discretionary contribution is determined by the Organization each year, and is allocated pro rata based on compensation and fully vests in five years. The Organization contributed an amount equal to 5% of the eligible employee's base into the plan. Contributions to the plan were approximately \$25,000 and \$25,000 for the years ended June 30, 2020 and 2019, respectively.

Approximately 92% of total revenue for the year ended June 30, 2020 and 91% total revenue for year ended 2019 is earned from this Department. A significant reduction in the level of such support, if this were to occur, may have an adverse effect on RMSER's programs and activities.

As of June 30, 2020, a majority of grant related receivables are from one direct federal agency; the U.S. Department of Health and Human Services. 67% of receivables are due from U.S. Department of Health and Human Services as of June 30, 2020.

To the Board of Directors

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Rocky Mountain SER/Jobs For Progress, Inc.'s internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of T Rocky Mountain SER/Jobs For Progress, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Rocky Mountain SER/Jobs For Progress, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance.
