

The Winning Formula

Get award-winning ready
with 1:1 strategic support

Entering awards is not just about recognition - it's a strategic business growth tool to:

- Increase credibility and position you as an industry leader
- Attract high-value clients who trust your expertise
- Enhance visibility and open doors to PR, speaking engagements, and partnerships
- Differentiate from your competitors in a crowded market
- Build trust and authority

This hands-on, done-with-you approach to business awards is designed to:

- Identify the right awards that align with your business objectives
- Craft compelling, stand-out entries
- Align awards with your marketing and business growth strategy
- Maximise brand visibility and PR

Ready to Elevate Your Business?

The Winning Formula package is for ambitious business owners who want to:

- Stand out in their industry and attract high-value opportunities
- Develop a repeatable strategy for entering and winning awards
- Leverage awards to boost visibility, PR, and business growth

Investment £2,000 for 2 months of strategic 1:1 support
