

The CULTIVATE Framework:

The CULTIVATE Framework provides a structured approach to implementing The Un-Leadership principles within your organization:

Connect:

Build genuine relationships with your team members, fostering trust and open communication.

Understand:

Assess your current leadership culture, identify strengths and weaknesses, and gather feedback from your team.

Lead by Example:

Embody the principles of the Un-Leadership in your actions and behaviors.

Train and Empower:

Give your team the skills, resources, and authority they need to succeed.

Iterate & Adapt

Give your team the skills, resources, and authority they need to succeed.

Value-Driven Culture:

Ensure you encourage a culture that aligns with your company values.

Accountability:

Develop a culture of mutual accountability.

Transform:

Ensure that you have long-term and short-term goals.

Evaluate and Enhance:

Constantly evaluate and find ways to enhance.
