

REST BIBLE Study METHOD

REST

The REST acronym is a simple and easy method to use when we want to study one or two verses.

REST (meaning, Read, Explore, Study and Thrive) is a simple bible study method that helps aid in your own personal studies of the Bible. These are simple steps to lead in understanding scripture.

As you prayerfully seek God's wisdom, ask Him to give you an understanding about what He wants to teach you from this passage.

Read

Read the passage in question many times and in different translations. Write out the passage or verse.

Explore

Ask questions about the things you don't understand. Ask questions about who is writing and questions about the audience.

Study

Explore the passage further by looking at nearby verses for clarification with cross-reference.

Thrive

Write out a statement of affirmation and start practicing this in your life.

Thrive

A sheet of white paper with horizontal blue lines. The background is decorated with a repeating pattern of stylized leaves in shades of purple and teal. The leaves are arranged in a way that they appear to be growing from the bottom and spreading outwards. The pattern is consistent across the entire page.
