

# BETHEL FAMILY CO-OP

Discipling Our Kids Together

## Vision, Mission, Values

**Vision:** Raising up the next generation of committed, faithful disciples.

**Mission:** Establishing a community of believers committed to discipleship through Godly, encouraging, and fun group-learning that consistently points back to Christ and supports and compounds the work being done at home and in the church.

**Values:**

***Committed to Discipleship*** - Growing a knowledge, affection, and relationship with Jesus lived out in the community of believers and on display for unbelievers.

***Genuine Community*** - Caring for one another by spending time together to support each other's needs, investing in each other's children, and creating friendships for both parents and students.

***Worship as a Lifestyle*** - We worship through singing, sharing testimonies of God's goodness, celebrating God's faithfulness and generosity--giving God glory for everything we study and learn.

***Service Oriented*** - Serving inwardly to the co-op through high parent and child participation. Serving outwardly to others through service opportunities.

***Fun group learning*** - Developing a love of learning through play, discovery, and exploration while enjoying the comradery of friends.
