Big Brothers Big Sisters of Ventura County (BBSVC) has been serving youth throughout the region for over 50 years. We are the only mentoring program of its kind, designed to assist local youth in succeeding in school, staying away from risks like drugs and gangs, and pursuing their individual goals. BBSVC matches carefully screened volunteers with local youth, helping to inspire these "Littles" to achieve their potential. In 2023, with the help of our sponsors, donors, and volunteers, we served over 1,000 youth and their families.

Not everyone can volunteer to mentor a child, but everyone can help make a BIG difference. I invite you to consider a gift to our annual champagne luncheon, Bags, Bling & Bubbly. This special event will attract a capacity crowd of philanthropically minded guests with impeccable style and taste, and will celebrate our youth mentoring success, helping secure the future of our programs. As an event donor, you can join leading residents of our Ventura County community and businesses offering outstanding products and services to our bustling auction and in-house boutique and make a BIG impact helping local youth facing adversity. Sponsorships, program advertisements, item donations and other support will make Bags, Bling & Bubbly a BIG success.

Thank you for your consideration. As an independent 501(c)3 nonprofit that depends on private donations for most of its funding, BBSVC offers BIG appreciation for supporting youth to reach their potential. BIG thanks in advance for your generous consideration and for being part of our Big Brothers Big Sisters village.
