### Prayer Request

Please continue to pray for Donna Grimes. She is at home recovering.

Angie Hatley will need to have neck surgery. They are awaiting a date for the surgery.

Tonya Reynoldson will go back for a PET scan on June 2. Please be in prayer for her.

Teresa Baker had gallbladder surgery last week. There have been some complications, and she is still in the hospital. They are looking for an infection somewhere due to her running a fever. She has also been getting lightheaded and needing breathing treatments. Please continue to pray for progress and strength.

Toni (Irin) Stockdale, mother of Renee Crossett and Rennie Kennon, is at the Waters of McKenzie Nursing Home. The updated address is in the foyer.

Bob Curtis' health remains about the same. He is on oxygen 24/7 as he is still having issues breathing. He will have a watchman implant procedure to his heart on July 3<sup>rd</sup>.

Cooper Ulderich had a successful outpatient tubes and adenoids surgery. He is recovering well at home.

Tracy Hollifield, sister (in-law) to Phillip and Jennifer Elliott has been diagnosed with lung cancer. Please pray for her medical team as they begin a treatment plan for her. If you would like to send her a card, her address is on the bulletin board.

Please continue to pray for Ms. Barbara Thompson. She came forward this past Sunday asking for prayers for strength and wisdom through her trials.

We rejoice as Chucky Hardin was baptized into Christ this past Wednesday afternoon.

From Ms. Dorothy Jones: May God bless each one of you. The ones who visited me, and all the cards, and all of you praying for me- thank you all. Pray for me and I will continue to pray for you. God Bless, a sister in Christ- Dorothy Jones.
