Prayer Requests

Tonya Reynoldson has completed her chemotherapy. She will have a month of rest and recovery and then begin her Immunotherapy first week in October.

Annette Hollowell, Bethany Ulderich's mom and Debbie Larkin's sister, had her pet scan this past Tuesday. The results showed improvement. We are overjoyed and thankful to God for this great news.

Please pray for the recovery of Greenlee Cole. She had her tonsils removed this past Friday.

Phillip Wilson, Mike Wilson's brother, has bladder cancer and they found more when he had polyps removed. He will be starting a new drug soon. Please be in prayer for him

Janice White is now in the nursing home in Huntingdon due to gall bladder issues and is also battling covid. Brenda Travis has also been moved to the nursing home in Huntingdon. Please send both of them a card and send them love.

Our thoughts and prayers are with the family of Charlie Kirk, who was shot and killed this past Wednesday. Please continue to pray for our country and let us show Christ to a broken world.

We rejoice in the decisions of Aiden Hollingsworth and Amaury Rogers who were baptized into Christ this past Wednesday night. We pray for their new journey as young Christian men.
