

MARY KAY

What Lip Look Today?

Behold the power of lip color!

It can lift your spirits, brighten your day and transform your mood and your look from *blah* to *awe*! Find your perfect shade of *Mary Kay*® lip color with this handy mood chart.

	Pinks  <p>When you want to wear lip color that's feminine and fun, think pink! It's versatile enough for everyone, whether you're new to lip color, you prefer a subtle hue or you love powerful, passionate shades of pink.</p>	Citrus  <p>Uniquely bright shades of peachy orange can add a little punch to your pucker. Looking for a vibrant lip color or something different? These fun shades can brighten your day <i>and</i> your smile.</p>	Neutrals  <p>Neutral is anything but boring! Polish any look with a flawless nude lip. Playing up the eyes? A neutral lip look pulls it all together. Every makeup-lover needs a go-to neutral lip color to give her the perfect finishing touch.</p>	Reds  <p>Classic. Empowering. Beautiful. Red lips make a statement without saying a word. From matte to shine formulas and shades that range from sheer to bold, there are so many ways to wear red. The only problem is picking just one.</p>	Berries  <p>Berry lips are luscious and are sure to grab attention. Try this modern take on classic reds with a deep range of plum and wine shades.</p>
