

Hi

If you are becoming eligible for Medicare, you may be receiving mailings, plus experiencing television commercials regarding your enrollment in Medicare. All this information may cause confusion. Our licensed insurance agents are here to help.

When it comes to Medicare options, there is no one-size-fits-all choice. We offer consultations to assist you in finding an option that works with your individual needs at no cost to you. We are able to search with different insurance carriers to help you find a plan option that works best for you.

Navigating your area's Medicare Advantage Plan Options and understanding these options can be challenging. As licensed insurance agents with experience assisting Medicare-eligible individuals, we can answer your questions and help find solutions that address your health and lifestyle needs.

We aim to make understanding your options a seamless process through education. Remember, our services are at no cost or obligation to you. Call today to schedule an appointment.

We do not offer every plan available in your area. Currently we represent _____ organizations which offer products in your area. Please contact Medicare.gov, 1-800-MEDICARE, or your local State Health Insurance Program (SHIP) to get information on all of your options.

Enrollment in a plan may be limited to certain times of the year unless you qualify for a Special Enrollment Period or you are in your Medicare Initial Enrollment Period.
