RESEARCH

International:

Poster Presentation at APASL Delhi March 2018 :Predictors of severity of Fibrosis for Non alcohol fatty liver disease

Poster Presentation at ILTS Prague June 2017 : Role of Fibroscan for surveillance of asymptomatic NAFLD patients

Efficacy of Colesevelam in Crohns Disease Patients with diarrhoea. Poster presentation. Falk symposium 159 "IBD 2007-Achievements in Research and Clinical Practice" Istanbul May 2007 and UEGW Oct 2007

Endoscopic ultrasound guided Fine needle aspiration cytology(EUS-FNA): factors influencing adequacy. Oral presentation. ASGBI April 2007

Is Wireless Capsule Endoscopy made obsolete by Double Balloon Enteroscopy? Oral presentation. Indian Society of Gastroenterology Nov 2006

Cystic lesions of Pancreas: Role of Endoscopic Ultrasound and Fine needle aspiration:
Plenary Poster presentation: IHPBA Sept 2006

Solid lesions of pancreas: Role of Endoscopic Ultrasound and Fine needle aspiration: Poster
presentation: IHPBA Sept 2006

Oral presentation of original paper on "Risk factors stratification of Coronary Artery Disease
National Conference on Hypertension at Bangalore, India in September 2001

In UK:

National:

Adverse events and relapse rate in patients with inflammatory bowel disease taking
Azathioprine versus 5-ASA and Azathioprine. Poster presentation British Society of
Gastroenterology Meeting March 2006

Double Balloon Enteroscopy under conscious sedation: Patient safety, comfort and
Tolerability compared to other endoscopic procedures Poster presentation British Society of
Gastroenterology Meeting March 2006

A study of adverse events arising from AZA and 5-ASA coprescription in inflammatory bowel
disease: Poster presentation. British Society of Gastroenterology Meeting March 2005.

Audit of Guidelines for Intravenous PPI use in District General Hospitals: Plenary Poster for
the BSG March 2005

Regional:

Organised and Presented at Kent Regional Hepatology Network May 2022

Liver surveillance : Regional presentation at TSSG April 2022

Organised Hepatology Training Day : Presented on Cirrhosis and Coagulation

Decompensated Liver disease: Acute Medical Conference in London

West Midlands Specialist Registrar Training Day: Physiology of bile and Gall stone disease.
Queen Elizabeth hospital ,Post Graduate centre Oct 2008

Multicentre Prospective Audit on Adverse events and relapse rate of Inflammatory Bowel disease. Oral presentation. South West IBD Network, Tauntan, Nov 2006

Wireless capsule endoscopy and Double balloon enteroscopy. Oral presentation. South West Regional meeting for Gastroenterology and GI surgeons Newquay, June 2006

A study of adverse events and relapse rate of IBD: Oral presentation South West IBD network, Tauntan , Nov2005

2 Week rule for Upper GI cancer: Oral Presentation at Gastroenterology Gut Club –Nov 2004 at Cheltenham General Hospital

Role of Infliximab in inflammatory bowel disease: Oral presentation. Gloucestershire Gastroenterology Gut club meeting Gloucester July 2004

A study of adverse events arising from AZA and 5-ASA coprescription in inflammatory bowel disease: Oral Presentation. South West Gastroenterology Regional meeting , Truro, June 2004

Azathioprine Adverse effects: Oral presentation at Multidisciplinary Audit meeting at BRI, Bristol, Sept 2003

Audit on Use of intravenous Pantoprazole in upper GI bleed : Oral Presentation at Bristol Royal Infirmary and Gut club in Jan 2003

Presented “ Secondary Syphilis” at Inter departmental educational meeting at Conquest Hospital in August 2002.

Presented “Spinal Epidural Abscess” at Inter departmental meeting at Conquest Hospital in July2002

Presented a Seminar on “Atypical Pneumonia’s” at T. N. Medical College in September 2000.

Organised and presented Seminar entitled “Acid Base Disturbances” at T.N.Medical College in March 2000

INSTRUCTION DETAILS

Medico Legal Enquiry

Email my secretary with as much detail as possible. We will ensure that the feasibility of supplying a report is provided within 1 working day.

Lindsay Morgan
9.00 AM - 5.30 PM
Monday – Friday
Email: reports@britishmedicalexperts.com

Medico Legal Instruction

Email reports@britishmedicalexperts.com with medical records. We will supply the client and instructing party with an agreed appointment time within 1 working day.

Fees

Fixed fees on a pre-agreed basis. Full fee list available upon request.

Terms and Conditions

Payments due within 30 days of invoice date.

Payment by bank transfer only.

Full terms available upon request.
