PUBLICATIONS & RESEARCH

1. Amr B, Omar I, Abdelrahman M, et al. *The First Delphi Consensus on Surgical Ward Rounds in the UK NHS*. World J Surg, 2023.
2. Kermansaravi M, Amr B, et al. *Endoscopic Evaluation of De Novo Esophagitis Post Sleeve Gastrectomy*. Obes Surg, 2022.
3. Amr B, Shahtahmassebi G, Aroori S, et al. *Variation in Survival After Surgery for Peri-Ampullary Cancer*. BMC Surgery, 2017.

ACHIEVEMENTS & AWARDS

- 2023: Systematic Review on Surgical Ward Rounds published in World Journal of Surgery – a key resource in surgical governance and medico-legal reviews.
- 2022: Presentation of Inconsistency in Consent for Open Inguinal Hernia at EHS 39th Annual International Congress, highlighting key medico-legal issues in surgical consent.
- 2020: Operation Hernia Travel Fellowship – recognised for contributions to surgical outreach and training in high-risk settings, enhancing surgical expertise applicable in medico-legal contexts.
- 2015: Best Poster Travel Grant Prize, World Pancreatic Forum – research into peri-ampullary malignancy management, essential for surgical negligence cases.
- 2012: Finalist, Doctor of the Year, Worcestershire Acute NHS Trust – awarded for exemplary clinical practice, patient safety, and teamwork critical to expert witness credibility.

EXPERT WITNESS EXPERIENCE

- Extensive experience in bariatric and UGI surgery with expertise in complex surgical case evaluations.
- Contributor to national and international guidelines on surgical consent and clinical governance, relevant to medico-legal cases.

- Regularly involved in audits and quality improvement projects to enhance patient safety, a critical focus in medico-legal assessments.
