Dr Julian Leiner-Parry

BDS, Dip Imp Dent (RCSEd)

Dr Julian Leiner-Parry is a GDC-registered dental surgeon and implantologist with over a decade of clinical experience. He has a strong focus on implant dentistry and surgical procedures including sinus lifts, advanced grafting, and soft tissue surgery. Dr Leiner-Parry currently holds multiple clinical posts across respected private practices, and mentors implant trainees at ICE Academy Salford.

As a trained expert witness, he is certified through the Bond Solon Expert Witness Programme at Cardiff University (2024), including courtroom skills and excellence in report writing. His medico-legal practice is backed by structured training in civil procedure and cross-examination.

He has provided expert reports to both claimant and defendant solicitors, with commendations for clarity and speed. He is noted for delivering well-reasoned, structured reports and responding within tight timeframe
