## Dr Roise Kelly

BDS

Dr. Roise Kelly is a GDC-registered Specialist Prosthodontist with over 18 years of international experience in prosthodontics, implant dentistry, and digital dental technologies. She currently practises in multiple specialist clinics across Ireland and is also a clinical supervisor at Dublin Dental University Hospital. She holds a Masters in Digital Dental Technologies from the University of Geneva and postgraduate training from New York University, where she was awarded a Clinical Teaching Fellowship.

Dr. Kelly has a broad clinical and academic portfolio, including experience as a Consultant Prosthodontist at Galway Clinic, publications in peer-reviewed journals, and mentorship of postgraduate dental students. Her medico-legal interests include implant complications, prosthodontic planning errors, cosmetic failures, restorative design, and treatment outcome disputes.

She is listed on the UK Register of Expert Witnesses, delivers CPR Part 35-compliant reports, and typically completes instructions within 2 weeks. She is currently undergoing formal medico-legal training via BME and offers clear, evidence-based analysis.
