Dr. Jadesola (Ada) Ekpe

MBBS, BSc (Hons), MA (Med Law & Ethics), MRCS, FRCR

Dr. Jadesola (Ada) Ekpe is a GMC-registered Consultant Interventional Radiologist with expertise in vascular and non-vascular image-guided procedures. Her practice spans general and interventional radiology, with subspecialist expertise developed through fellowship training at Imperial College Healthcare NHS Trust and extensive specialist training across the Severn and Oxford Deaneries.

She holds a Master's degree in Medical Law and Ethics from King's College London and is registered on the UK Register of Expert Witnesses. Dr. Ekpe is committed to medico-legal practice with CPR Part 35-compliant reports typically delivered within 2 weeks of instruction. Her reports are informed by high-level clinical practice, academic scholarship, and formal legal training
