Dr. Smeer Aggarwal

MBBS MRCS FRCR

Dr. Smeer Aggarwal is a GMC-registered Consultant Musculoskeletal Radiologist with advanced expertise in diagnostic imaging and image-guided procedures. He currently practices at the University Hospitals of Derby and Burton NHS Foundation Trust, where he also serves as Associate Clinical Director for MRI and College Tutor. He is highly experienced in acute, outpatient, sports and oncological musculoskeletal (MSK) imaging, including CT, MRI, and ultrasound, and performs complex interventional procedures such as fluoroscopy-guided joint injections and arthrograms.

Dr. Aggarwal is listed on the UK Register of Expert Witnesses and delivers CPR Part 35–compliant medico-legal reports, typically within 2 weeks of instruction. His expert insights are informed by a strong academic publication record and a broad clinical training pathway that includes general, paediatric, head and neck, gastrointestinal, and chest radiology
