Dr. Protip Bose

MBBS, MRCS, FRCR, CCT (UK)

Dr. Protip Bose is a Consultant in Interventional and General Radiology with over 25 years of experience and advanced specialist training in both the UK and Australia. He has held numerous substantive and locum consultant posts across NHS trusts and the independent sector, with a strong focus on vascular and interventional radiology, oncological imaging, and diagnostic cross-sectional imaging.

He has completed fellowship training in interventional radiology in Brisbane and holds a CCT in Clinical Radiology. Dr. Bose is registered with the UK Register of Expert Witnesses and has undertaken formal legal training, including Bond Solon's Excellence in Report Writing. He provides CPR Part 35-compliant medico-legal reports, typically within 2 weeks of formal instruction
