Dr. Morteza Mazinianian

BSc (Hons), BDS (Hons), MFDS RCS (Ed), MClintDent (Distinction), MPros RCS (Ed)

Dr. Morteza Mazinianian is a Specialist Prosthodontist and Implant Dentist with extensive experience in complex restorative and surgical cases, including full mouth rehabilitation, implant dentistry, bone grafting, sinus lifts, and zygomatic and pterygoid implants.

He is the Principal Dentist and Partner at Dental Excellence and also a Clinical Teaching Fellow in Prosthodontics at UCL Eastman Dental Institute.

Dr. Mazinianian mentors both specialist trainees and general practitioners in prosthodontics and implant dentistry, and regularly lectures at postgraduate and professional teaching events. He is recognised for producing clear, structured medico-legal reports in cases involving dental negligence, restorative complications, implant failure, and prosthetic rehabilitation.
