Dr. Gemma Barnard

MD MSt FAAP FRCPCH

Dr. Gemma Barnard is a highly experienced Consultant Paediatric Oncologist with dual accreditation and practice across both the United States and the United Kingdom. She is currently Consultant and Lead for Paediatric Bone Marrow Transplant at Cambridge University Hospitals NHS Foundation Trust, where she also contributes to international oncology research and education.

Dr. Barnard holds Fellowships with both the Royal College of Paediatrics and Child Health (FRCPCH) and the American Academy of Pediatrics (FAAP). She has completed a Master of Studies in Medical Education at the University of Cambridge and has led high-impact roles in paediatric oncology, haematology, palliative care, and bone marrow transplant. Dr. Barnard is registered on the UK Register of Expert Witnesses and delivers CPR Part 35-compliant medico-legal reports, with a standard turnaround of 2 weeks
