## Dr Jacqueline du Toit

FRCR CESR, MMed Diag Radiology, Dip Paed Radiol

GMC No. 6087967

Dr Jacqueline du Toit is a Consultant Paediatric Radiologist with more than two decades of medical experience and a specialist focus on complex paediatric imaging. She has held senior consultant roles at leading NHS institutions including St George's Hospital in London and the Royal Alexandra Children's Hospital (RACH) in Brighton, and completed her dedicated fellowship at the Red Cross Children's Hospital in Cape Town.

Since joining British Medical Experts (BME) in 2022, Dr. Du Toit can assist in clinical negligence and personal injury in paediatric imaging reports. She is known for her detailed, structured, and clinically rigorous reports that reflect her sub-specialist expertise and experience across both South African and UK healthcare systems.
